EXHIBIT 7

LOCAL ORDINANCES FOR NEW SCOTLAND TO LEEDS TO PLEASANT VALLEY COMPONENT

In accordance with the December 16 Order regarding the requirements of 16 NYCRR § 86.8 to be submitted as part of this initial Part A Application, this Exhibit 7 contains recent edition topographic maps (at a scale of 1:24,000) showing the New Scotland-Leeds-Pleasant Valley component's proposed route location along with overlays showing (a) zoning to the extent available, and (b) flood zones. To the extent zoning information is not currently available, that information will be provided in the Part B application in accordance with the February 12, 2014, Ruling Granting Extensions of Time for Certain Filing Requirements issued by Judges Phillips and Prestemon.
